

This property overlooks Black Lake which is a duck and goose haven. This is a Ducks Unlimited project and has two more hunting sloughs connected to it. Also connects to 800 acres of Game and Fish property to the south. Also noted for deer and grouse hunting. This property has 3 acres of newly planted trees and would be an excellent place for a hunting cabin. You don't want to miss this one. Broker owned. **\$69,500**
