

Like new hunting and fishing lodge located in the Glacial Lakes area of northeast South Dakota. Constructed in 2008, this lodge already has a client base to work with. This beautiful like new lodge is located on 320 acres near superb deer, waterfowl, turkey and pheasant hunting. World class walleye and northern pike lakes are within minutes of the lodge. There are flooded corn fields with several waterfowl blinds on the property and has its own semi private lake. This custom built lodge offers approximately 6,100 sq ft with vaulted ceilings, 2 full kitchens, 13 bedrooms. 7 1/2 bathrooms, hot tub and sleeps 32. Many more amenities too numerous to mention. A must see for commercial use or private corporate use. Very private setting. **\$1,400,000**
