

This unique property offers the opportunity to hunt ducks and geese on your own part of Lake Okobojo, a small lake capturing drainage from Okobojo township. Waterfowl love to rest in this area early in the season instead of heading to Lake Oahe. The prairie hillsides and Lake Okobojo creek bottoms offer ideal wildlife habitat - mule deer, white-tailed deer, and upland game birds abound. Wildlife observation and/or hunting opportunities are excellent. This 360 acres of grass is located only minutes from the Oahe Dam, Spring Creek Recreational Area, Pike Haven, Sutton Bay Golf Course, Bush's Landing, and several public boat ramps. Easy access to Lake Oahe can provide trophy wall-eye, northern and salmon fishing. Truly a property that allows you to get away from the fast pace of life. Only 25 miles north of Pierre, South Dakota, just 2.5 miles east of Hwy #1804.
