

What a property! The view of the lake is like a lake home. The wildlife is like a game refuge and all the benefits of an acreage in the country all wrapped up into one package. Near new, built on the original homestead, so it has established trees and shelter belt. 5 bedrooms, 3 baths with a deck that spans the back side of the house which overlooks Mile Long Lake. All this on 8.5 acres and located only 10 miles from Sioux Falls and 1 mile north on Highway 42. 2x40 pole building. Rural water plus a well for livestock/gardening. **\$399,500**
