

Mission Homestead Prairie

This 320 acre homestead provides a perfect setting for a small ranchette in Todd County, with plenty of native pasture. Located only 6 miles east of Mission, South Dakota this 320 acre homestead provides a perfect setting for your cattle or horse operation. Quality native pasture with a running seasonal creek allows for plenty of grass and private tranquility. A small home with over 1,200 sq.ft. and several outbuildings provide storage for your haying equipment and feed. Plenty of water allows for future livestock and habitat development. Native grass pasture ready for your livestock needs. **\$256,000**
