

Would you like to go fishing in your own backyard? It's possible with this truly incredible acreage just 20 minutes from Sioux Falls. This custom designed 4 bedroom, 3 bath ranch home was built in 2004 and takes full advantage of the gorgeous views of the Vermillion River Valley. All the features you would expect including a beautiful maple kitchen, theatre room, master bedroom with master bath/walk-in shower, heated floors throughout lower level and much, much more. Outside you will love the country surroundings, new 36x48 Morton building, heated and insulated 30x22 shop all on 10.47 acres.
\$429,900
